

**A Psalm** (by Len) - October 30, 2009

**All** mighty are You O Lord

*Awesome are the works of Your hands*

**Blessed** is Your name in all the earth

*Beauty flows wherever You go*

**Caring** is Your heart for all men

*Compassion is in Your eyes*

**Defender** of the orphan and the widow

*Delighting over Your every child*

**Eternal** God, creator of all things

*Encouraging those who trust in You*

**Fortress** when we are weak

*Father of Lights, we praise Your holy name*

**Glorious** is before us everywhere we look

*Gracious are Your ways*

**Healer, helper, everything wonderful**

*Holy, holy, holy - God of heaven and earth*

**I** am, You say, and so it is

*Immanuel, God is with us this day*

**Joyful, just, glorious** are You Lord

*Jesus, Your name we lift on high*

**Keeper** of Your promises

*Kindness is ever on Your mind*

**Loving and laughing** You listen to our stories

*Life and light are Your gifts always*

**Majestic** are the heavens, created just for us

*Marvelous and amazing are Your deeds*

**N**ever forsaking us, You answer when we call  
New, You made us, when You called us Your own

**O**rchestrator of miracles, unending they seem  
Only good are Your plans for those who cling to You

**P**atiently You watch over us all the day and through the night  
Powerful, all powerful and wonderful You are

**Q**uick to respond to our calls for Your help  
Quieting the storms with just a word

**R**efuge for the oppressed, shelter in times of need  
Reveal more of Your glory to us, disclose bits more this day

**S**urely our hope is in You O Lord  
Secure and safe are we on this journey with You

**T**each us Your ways, show us Your truth  
Triumphant let us walk with You.

**U**ntil our last breath we praise Your name  
United in Christ, we encourage and support each other

**V**ictory is ours, for we read the end of the book  
Visit with us, meet with us, carry us as needed

**W**alk with us, run with us, sit with us today  
Welcome, we welcome You. Come Lord, be near

**Y**esterday, today, tomorrow, unchanging in Your love  
Young or old, Your mercy flows o'er us

**Z**ion is Your mountain, set us up high with You  
Zealous for Your holy name, we give the glory all to You.

**For all mighty are You O Lord**  
**And awesome are the works of Your hands.**
